

TOGO OIL & MARINE (TOM)

DEEP SEA TOWING & SALVAGE

ABOUT TOGO OIL & MARINE

TOM-OMA has more than 30 years experience operating as a specialist provider of marine services in West Africa, combining operational know-how with unsurpassed local expertise.

Established by Captain Monty Jones in 1982 in Togo, on the West African coast, TOM has developed into an experienced and quality-focused organisation, which places special emphasis on providing the highest professional standards across all its service offerings.

In-depth knowledge and experience, together with a fleet of launches & tug boats, barge, trucks, trailers, forklifts and fenders, mean that the TOM is perfectly placed to meet customer requirements in this sometimes challenging market.

Through sister company OMA we can also offer unrivalled expertise in liner, non-liner, logistics and consultancy services in Côte d'Ivoire, Ghana, Togo and Benin, together with support from a sales and marketing office in Europe.

SERVICES

- Fleet of launches for crew transfer
- Offshore delivery of ship's spares
- Deep Sea towing and salvage
- Ship to Ship transfers
- Maritime projects
- Offshore specialists
- Through sister company OMA we can also offer unrivalled expertise in liner, non-liner, logistics and consultancy services in Côte d'Ivoire, Ghana, Togo and Benin, together with support from a sales and marketing office in Europe.
